Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S. With at least 50 requests to PRC@seattle.gov, please hold a public meeting to review the environmental and landuse issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens. These trees are an essential part of the City's canopy; careful consideration, including public input, is needed before these are removed.

Sincerely,

Jane Baird
